

**Hi Everyone,**

**Greetings from StockPro!!!**

Thanks for showing interest in StockPro Market Profile Combo Course.

The Course is designed to make you learn the professional way of trading in such a way where you can follow institutional investor's foot-prints where they are active and their stance on particular instruments.

We will be combining Market Profile, Volume Profile and Order Flow Analysis for Accurate ENTRY & EXIT. You will be able to recognize the support and resistances created by Long-term investors. Combining it with Option chain can give us accurate entry and exit. This course although majorly dealing with Bank-Nifty, Nifty & Index Trading but the same technique can be applied in Stocks as well. You will learn to master and trade in any instrument.

**Salient Features of the Course:-**

- Course is designed for the beginners, investors to advanced traders.
- This course is specially focused upon intraday trading and it will be highly useful in refining your trading skills.
- Exclusive Private live trading sessions conducted by us in this course ensure that you are implementing what you are learning in your classes.
- Long-term hand holding support provided by us in this course ensures that your learning curve keeps on running, even after completion of your course.
- Using free resources we will generate Volume Profile, Market Profile.
- Access the online course from anywhere (Mobile, Desktop and Laptop).
- Worried about not learning the entire course contents within the training period? We have solution for the same. You will have the recorded videos for the repeated references.
- You can repeat the course also up-to next 6 months.
- Separate session to clarify the doubts of the students.
- Clarification will be done through the Telegram channel during the training or in live classes.
- A separate Telegram Channel for StockPro Market Profile COMBO Course members to get the daily Trade ideas directly from us in live sessions.

- You will be the part of our special telegram group which is created only for the StockPro Market Profile Combo Course members. You will be the part of biggest trading community where you will be interacting with like-minded traders & investors for 6 months until you recover the FEE Paid.
